Graph analytics

Dario Colazzo

Plan

- We have see the theory for central graph processing problem

  - Page Rank

  - we will make practice by using Spark next session

  - slides https://www.dropbox.com/s/dnyv48718ypzjo6/PR.pdf

- This session is dedicated to graph databases and graph querying

  - Neo4G , Cypher , hopefully TP today

  - please install Neo4G Desktop https://neo4j.com/download/

    - installation guide here:

      - https://neo4j.com/download-thanks-desktop/?edition=desktop&flavour=osx&release=1.4.15&offline=false#installation-guide

  - slides are here https://www.dropbox.com/s/ws5106qo2afhpnp/GraphDatabasesNeo4J.pdf

  - source: material by: Max de Marzi, Gagan Agrawal, Neo4J site, book : Graph Data Management

- Project subject: next session
